

Travel-Kleen - Water Sanitizer

dedicated to ozone performance

PRODUCT OVERVIEW

The Travel-Kleen Water Sanitizer will purify and help produce natural clean water. This unit will break down residual trace amounts of toxic chemicals and pathogens found in water and on your fruits and vegetables. The Travel-Kleen Water Sanitizer will give you the ability to sanitize the water used to brush your teeth and clean foods wherever you go. The Travel-Kleen Water Sanitizer is compact and easy to take with you in your car, on your travels, or even camping. This unit is small enough to store in your RV or boat.
